

## CHESTER SCORES A PERFECT 10

In the first round of the 6 Year Old Young Horse class at **DRESSAGE WITH THE STARS 2010**, Chester scored a 10 for his walk.

International judges, Dr Ulf Moeller (Germany), Ricky MacMillian (Australia) and Alison King (Hong Kong) all agreed that Chester's walk warranted a 10.

His final score was **8.5** and this put him in 3rd place.

In the final round, Chester did not show the flair he had in the first round and ended up on a score of 7.9 for a 5th placing.

After the ride, we spoke to Gary. This is what he had to say:

*"I could not be happier with the way Chester went, he went into the arena with a business like attitude. He felt a little flat but I think that's because I worked him a little too much the day before. To place amongst a group of talented 6 year old horse in the country is a nice feeling".*
