COMMENTS

Berni Saunders from [Cyberhorse](#) wrote the following in her report on the event:

"Gary Lung was riding the magnificent Weltmeyer Gelding, GB Winchester. The chestnut looked completely at home in the arena and displayed extravagant yet controlled movement that seemed well beyond his years. The crowd could not help but applaud the effort. The judges too were impressed and the combined marks for movement and impression allowed Gary and GB Winchester to finish the competition in first place."

Chris Hector (from The Horse Magazine) wrote the following comments in his coverage of the event:

GB Winchester is one of three of the “..... nicest four year olds we’ve ever seen at DJWTS”

“The next star was GB Winchester, by Weltmeyer out of Safron by the imported Trakehner, Elfenglanz.”

“Winchester was bred by Glennis and Simon Barrey and Glennis took Safron to FEI level. Winchester is owned and shown by Queenslander, Gary Lung, and what a lovely expansive, crisp moving horse he is. 9 for trot, 8.5 for canter, 7.5 for walk (it looked fine, and apparently two out of the three judges wanted to give it 8), 9 for conformation, and 8.5 for general impression to grab the lead with 8.5.”

The following comments were reported on www.eurodressage.com website:

“GB Winchester who was shown by his owner Gary Lung. The 4-year old GB Winchester (by Weltmeyer x Elfenglanz) scored 8.5 for walk, 8.0 for trot, canter and general impression, and 9.0 for conformation. ”

“Chester is bred by Glennis and Simon Barrey and was purchased by Lung as 6-month old colt. Lung is thrilled to ride Chester every day. “He takes everything in his stride and nothing phases him,” Lung said.

The following reports were reported on the ["Trakehners Australia"](http://Trakehners Australia) website:

“First off was a material class where 32 four year old dressage horses worked in groups and were stripped down to be assessed for both conformation and movement. This class was won by the part-bred Trakehner GB Winchester (Weltmeyer/GB Saffron). GB Saffron is a purebred Trakehner mare by Elfenglanz who was herself a Grand Prix dressage horse. The four year olds then competed in a second class consisting of a dressage test. This class was also won by GB Winchester.”
