In the Champion Young Horse Final round
*(where the riders of the winners and 2nd place getters of the 4, 5 and 6 Year
Old class get to showcase what their horse can do in front of a panel of
judges and a guest rider rides each horse to give a final mark),*

Chester impressed the judges and crowds with his movement and his professional
attitude to his work.

All the judges agreed that they
"would like to have a ride on Chester".

COMMENTS

In Ann-Maree Lourey's report on the Young Horse Championships on the Dressage NSW website, she writes:

"Second went to GB Winchester (Weltmeyer/Elfenglanz) and Gary Lung, on 7, fresh from their success in Victoria at Dressage with the Stars. This is a horse that carries itself with aplomb, a power pack of impulsion in a wonderful package of great paces! Another one that looks like it would be a joy to ride."

David Shoobridge (on behalf of Cyber Horse) writes the following comments on Chester at the Sydney CDI:

"Winchester (bred by Glennis and Simon Barry) is a "typical Weltmeyer type" - very strong in conformation with an active hind leg."

"Gary presented him very well for this final round. Joern rode Winchester asking for a little more impulsion and connection. The German judge achieved a super result - the horse was forward and 'electric' with big extensions and a magical walk. Through the 5 minute test ride you could see the horse improving. A definite future prospect for this Queensland based rider."

Chris Hector (from The Horse Magazine) writes in the June 2008 edition

".... but in the final, the judges preferred Winchester. He was, according to Peter Holler (International FEI "I" German Judge), a horse with three excellent paces, especially the walk, which he thought was close to a nine."
